

Witham URC Church Travel Survey – October 2021

The Witham URC Eco-Church team would like you to keep a record of **all** your travel on every day of the week during the entire month of October 2021 on church-related activity whether to and from the church buildings, or travel elsewhere.

When the month has ended, please complete this sheet and return it to Ian Hardie, preferably by e-mail to ianzhardie@googlemail.com or via the church office.

NAME:

If such travel included one or more journeys by foot, please indicate:
the approximate number of miles travelled in October

If such travel included one or more journeys by bicycle, please indicate:
the approximate number of miles travelled in October

If such travel included one or more journeys by taxi, please indicate:
the approximate number of miles travelled in October

If such travel included one or more journeys by bus, please indicate:
the approximate number of miles travelled in October

If such travel included one or more journeys by train, please indicate:
the approximate number of miles travelled in October

If such travel included using one or more cars during October, please indicate for each car:

CAR 1

The vehicle is diesel/petrol/hybrid/electric (delete those which do not apply)

the engine capacity in litres

mileage travelled in the month as driver

mileage travelled in the month as a passenger

CAR 2

The vehicle is diesel/petrol/hybrid/electric (delete those which do not apply)

the engine capacity in litres

mileage travelled in the month as driver

mileage travelled in the month as a passenger

If such travel included using a motorbike during October, please indicate:

the engine capacity in CCs

mileage travelled in the month as driver

mileage travelled in the month as a passenger

If such travel included one or more journeys by some other form of transport, please indicate:

the approximate number of miles travelled in October

Thank you for your co-operation with this survey.
